Review of Drafted Resolution Letter from Board of Trustees to the Legislature regarding House Bill 42/Senate Bill 18

The Acting Chair recognized Sam Watts to review the drafted letter from the Boards to the legislature regarding House Bill 42 and Senate Bill 18, both titled "Rollovers into Qualifying Bailey Plans." The Board directed staff at the April 16, 2015 Board meeting to draft a letter expressing the Boards' concerns and respond to the proposed legislation regarding the tax treatment of certain distributions from Bailey tax-exempt retirement accounts. Mr. Watts reviewed the letter by paragraph and detailed the impact of the proposed legislation by stating in the letter

that the legislation would require a \$4.54 million appropriation from the pension fund and the changes would take three years for RSD to implement in order for the state to collect the fraction of the \$313,000 per year that the tax policy may yield, that would be derived from service purchases and transfer benefits. Mr. Aneralla requested three edits: that the letter be signed by Steve Toole, as Secretary to the Board; staff reverse the order of the sentences in the last paragraph; and that the letter state the Boards' approval vote in the letter. Mr. Mebane inquired if staff was certain of the appropriation amount and the yield. Mr. Watts replied that the Fiscal Research Division of the North Carolina General Assembly agrees with the numbers. Mr. Watts also stated that staff anticipates a challenge on the \$4.5 million estimation and that in-house staff connected to ORBIT project conducted an assessment that it would cost \$4.5 million and three years to implement.

It was moved by Jack Brooks, seconded by Van Dowdy, and unanimously approved by the Board to approve the letter to be sent to the legislature with the following edits: the letter be signed by Steve, as Secretary to the Board; the notation of Board vote detail to be included in the letter; staff to reverse the order of sentences in last paragraph in the letter; and to accept the two recommended changes entered by staff previously.

#### State System Adjournment
