**Re: Evaluation of Statement of Economic Interest  
The Local Governmental Employees' Retirement System Board of Trustees**

Dear Treasurer Folwell:

Our office has received your 2022 Statement of Economic Interest as a member of the **Local Governmental Employees' Retirement System Board of Trustees (the "Board")**. We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.**

The Local Governmental Employees' Retirement System Board of Trustees ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

As the Treasurer for the State of North Carolina, you hold an ex officio role on the Board. Because you own financial interests in publicly owned companies, including Colony Capital and Republic First BankCorp., you have the potential for a conflict of interest. Therefore, you should exercise appropriate caution in the performance of your public duties should issues involving these entities come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

A handwritten signature in cursive script that reads "Mary Roerden".

He is a recipient of the NC Firefighters' & Rescue Squad Workers' Pension Fund, which is administered by the Local Governmental Employees' Retirement System Board of Trustees. Therefore, he has the potential for a conflict of interest and should exercise appropriate caution in the performance of his public duties should issues involving his retirement benefits come before the Board for official action.

In addition to the conflict standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. The Local Governmental Employees' Retirement System Board of Trustees**

Dear Governor Cooper:

Our office has received **Mr. Homer T. Dearmin's** 2021 Statement of Economic Interest and 2022 No-Change form as a member of the **Local Governmental Employees' Retirement System Board of Trustees (the "Board")**. We have reviewed the 2021 Statement of Economic Interest for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.**

The Local Governmental Employees' Retirement System Board of Trustees ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mr. Dearmin fills the role of a city or town manager of a town participating in the Local Governmental Employees' Retirement System. He is the City Manager for the City of King. Therefore, he has the potential for a conflict of interest and should exercise appropriate caution in the performance of his public duties should issues involving his retirement allowances or other benefits, the City of King or its employees come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

**Re: Evaluation of Statement of Economic Interest Filed by Mr. Michael Gregory Patterson  
The Local Governmental Employees' Retirement System Board of Trustees**

Dear Speaker Moore:

Our office has received **Mr. Michael Gregory Patterson's** 2022 Statement of Economic Interest as a member of the **Local Governmental Employees' Retirement System Board of Trustees (the "Board")**. We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.**

The Local Governmental Employees' Retirement System Board of Trustees ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mr. Patterson fills the role of a member of the general public serving on the Board. He is a partner of Simplicity Group, a financial products firm that specializes in insurance, investment, and business development solutions. Therefore, he has the potential for a conflict of interest and should exercise appropriate caution in the performance of his public duties should issues involving Simplicity Group come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Mary Roerden, SEI Unit

**Re: Evaluation of Statement of Economic Interest Filed by Mr. Jeffrey V. Morse  
The Local Governmental Employees' Retirement System Board of Trustees**

Dear Governor Cooper:

Our office has received **Mr. Jeffrey V. Morse's** 2021 Statement of Economic Interest and 2022 No-Change form as a member of the **Local Governmental Employees' Retirement System Board of Trustees (the "Board")**. We have reviewed the 2021 Statement of Economic Interest for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.**

The Local Governmental Employees' Retirement System Board of Trustees ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mr. Morse fills the role of a member who is a retired, Fair Labor Standards Act nonexempt, local governmental employee of an employer. Because he provides consulting services for a municipality and is also a beneficiary of the retirement system, he has the potential for a conflict of interest. Therefore, Mr. Morse should exercise appropriate caution in the performance of his public duties should issues involving his consulting company, JVM & Associates, his clients, or issues involving his retirement or other benefits come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Dear Treasurer Folwell:

Our office has received **Mr. Thomas Causey's** 2022 Statement of Economic Interest as your secondary designee to serve on the **Local Governmental Employees' Retirement System Board of Trustees (the "Board")**. We have reviewed them for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest or the likelihood for a conflict of interest.**

The Local Governmental Employees' Retirement System Board of Trustees ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mr. Causey serves as your secondary designee on the Board.

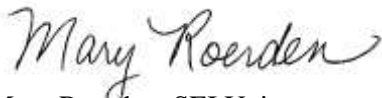

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.
