NC Supplemental Retirement Plans Annual Strategic Communication Plan

The Chair recognized Ms. Christy Farrelly, Communication Manager, to present the Supplemental Retirement Plans (SRP) Annual Strategic Communication Plan (included in the Board's materials).

Ms. Farrelly said the focus in 2024 was to increase participant engagement, educate employers, and prepare employers and participants for the Empower platform migration. These efforts resulted in approximately 63,882 total engagements, 19,211 one-on-one meetings, 3,469 employer meetings, a record high of 556 employer contributions, and a 30% increase in unique visitors to the NC 401(k) and NC 457 Plans (the Plans) section of myNCRetirement.com.

Ms. Farrelly said the annual goals for 2025 are to increase plan adoptions and employee participation, savings contributions, asset retention, and effectiveness and efficiency of communications. In addition, there will be a focus on enrollment of new hires and part-time employees.

Mr. Beam asked if the percentage of new hires who are participating in the Plans is higher or lower than the market trend. Ms. Farrelly and Mr. McCann confirmed it's consistent with the market trend. Treasurer Folwell added that the participation rates of LGERS employees is twice that of state employees, primarily due to the employer contribution.

Administrative Update: Third Quarter 2024 Administrative Report

The Chair recognized Mr. Michael McCann, Empower Client Relations and Business Development Vice President, and Ms. Jodie Musselwhite, Director, Participant Engagement, to discuss the Third Quarter 2024 Administrative Report (included in the Board's materials).

Mr. McCann thanked Treasurer Folwell for his partnership with Empower and his contributions to the Plans. He said average participants' balances, active participation rates, active average employee deferral, total unique participants with a balance, and the number of new loans issued increased year over year. He added that Goalmaker usage among new members, and total enrollments decreased, and distributions were higher than contributions for the same period.

Ms. Musselwhite said all 18 members on the NC Plans team were briefed on the response to the Hurricane Helene disaster. Ms. Musselwhite stated the adoption of the Qualified Disaster Recovery Distribution (QDRD) approved at the last Board's meeting was timely and Empower worked quickly to execute the QDRD process, which included temporary exceptions allowing for expedited approvals, delivery fee waivers and ACH processing. She stated the 358 employers who were impacted were contacted via email. Currently, 13 employers are late with payroll submission and there are 905 QDRDs.

Ms. Johnson said she was pleased with the response from the Department of State Treasurer's office and Empower.

Mr. Shea asked why 13 employers were not able to submit their payroll. Mr. McCann said the employers did not have access to technology due to the hurricane.

Mr. Hancock thanked staff and Empower for their hard work and ability to expedite the processes to accommodate QDRDs and for putting information on the website, as soon as possible.

Ms. Musselwhite added the call center statistics for the third quarter are consistent with other quarters.

Mr. Langanki said assets are approximately \$2.56 billion, blended yield (after fees) dropped three basis points to 3.05% and yield to maturity dropped 88 basis points to 4.38%, as of September 30, 2024.

Treasurer-elect Mr. Briner commented on the stability of the historical duration curve, given market changes.

Mr. Norman said the historical duration curve had little or no change due to the accounting method used to determine the value. He added that principal preservation and consistency of returns are two of the main factors of the stable value fund and using wrap contracts allow for the stability.

Mr. Beam added that the Plans can't have a money market option without implementing an equity wash requirement for participants.

Mr. Langanki added the Investment Management fees paid to non-affiliated investment advisors was reduced from 5.7 basis points to 5.4 basis points and overall fees were reduced to 0.259% from 0.263%.

Mr. Langanki said that the transition from Jennison to IR+M was successful, and all securities were transferred in kind in November 2024.

Third Quarter 2024 Investment Performance Report

Mr. Weston Lewis, CFA, CAIA, Senior Vice President, at Callan, to present the Third Quarter Investment Performance Report (included in the Board's materials).

Mr. Lewis began by providing an update on the performance of the equity and fixed income markets for the third quarter. He said the US equity market ended the third quarter on a record high and all sectors posted positive returns, except for the energy sector. Global equities outperformed US equities due to the performance of China. The US fixed income market performance increased due to the interest rate cut by the Federal Reserve.

Mr. Lewis added the NC Plans' portfolio increased approximately \$1 billion since the second quarter. The passive and active funds (outside of Goalmaker (net of fees)) performed well in the peer group rankings. Brown Advisory small/mid cap growth's status was changed from "within expectations" last quarter to "cautionary" in the third quarter due to the market's performance.

Mr. Singh asked to confirm the investment gain of approximately \$1 billion in the third quarter. Mr. Lewis said the Plans' portfolio increased approximately \$1 billion quarter over quarter and he thanked Treasurer Folwell for his contributions to the NC Plans.

Annual Review of the Investment Policy Statement

The Chair recognized Mr. Kris Byrd to present the annual review of the Investment Policy Statement (included in the Board's materials).

Mr. Byrd reminded the Board that glide path was updated earlier this year with the transition to Empower's platform and changes to the Investment Policy Statement reflect the updates. He added the new categories of the Investment Policy Statement document align with the target date funds to reflect the timeline to retirement, with five additional ranges added to the table. Mr. Morris added the change reflects a shift in how the table is categorized and not a change in the asset allocation of the groups.

The Chair entertained a motion to approve the recommended changes to the Investment Policy Statement and the changes were approved by a unanimous vote of 9-0.

Investment Compliance Report

The Chair recognized Mr. Chris Morris, DST's Co-Chief Investment Officer and Chief Risk and Operations Officer, and Kristopher Byrd, SRP Portfolio Manager, to present the Third Quarter 2024 Investment Compliance Summary Report (included in the Board's materials) and a recommendation for the Manager Watch List (included in the Board's materials).

Mr. Byrd said staff continues to monitor daily for prohibited holdings and there were no prohibited holdings subject to divestment for the third quarter.

Investment Manager Watch List Recommendation

Mr. Byrd recommended adding Sands Capital to the watch list based on their underperformance in 2021-2022 and YTD 2024. He said Sands has underperformed the benchmark and its peers, and assets outflow from the strategy exceeded an expected amount of annual attrition.

The Chair entertained a motion to approve staff's recommendation to add Sands Capital to the Manager Watch list. Mr. Shea so moved; Mr. Beam seconded, and the recommendation was approved by a unanimous vote of 9-0.

Public Comments

Mr. Drew Long, participant in the Plans, said he opened an NC457 Plan account in March 2024, and turned off all contributions to his NC 401(k) Plan account. However, in March and April contributions were sent to both accounts. This presented a financial hardship. In October 2024, Mr. Long received a letter from Empower with an ineligible contribution check.

Treasurer Folwell thanked Mr. Long for his service and said the matter was resolved and measures were put in place to prevent this from happening again.

Board of Trustees Comments

The Chair thanked everyone for participating and stated the next Board meeting will be February 20, 2025, at 9:00 a.m.

Mr. Beam, Ms. McRee, Mr. Shea, Mr. Singh, Mr. Hillman, Mr. Perusse, Mr. Richardson, and Ms. Johnson thanked Treasurer Folwell for his service to the people of North Carolina and to the SRP Board.
