

LGERS Employer Contribution Rates Effective July 1, 2024

Prepared by Staff of the N.C. Department of State Treasurer, Retirement Systems Division

March 2024

The following pages contain employer contribution rates effective July 1, 2024 for employers participating in the Local Governmental Employees' Retirement System (LGERS). The rows are ordered according to the employer's five-digit Retirement System identification code. Subject to the conditions described here, employer contribution rates on these pages will apply for each employer's employees who are LGERS members. Employer contribution rates do not include the 6% of compensation contributed by employees.

Employers participating in LGERS who have temporarily paused and resumed reporting within the last 18 months may not appear in the table. These employers have received specific guidance from the Retirement Systems Division (RSD) regarding their contribution rates.

The rates are based on current LGERS benefits, and on the actuarial valuation as of December 31, 2022. Changes in employer contribution rates may occur from year to year. Investment performance, law changes, and other items can affect the rates. If legislation enacted by the General Assembly or other events require a change in employer contribution rates, RSD will provide further notice to employers.

The rates on this table may be further increased effective July 1, 2024 for any employer notified between April 2, 2023 and April 1, 2024 of an additional contribution required under the Contribution-Based Benefit Cap (CBBC) provisions, where the employer has not paid or entered into an agreement to pay the contribution by June 30, 2024. These employers will be notified of the increase in their rate.

The numbered columns on the table are as follows:

- For employees other than law enforcement officers (LEOs), i.e., Local General (LOCG), Local Firefighter (LOCF), and Local Register of Deeds (LOCROD) employees:
 - Column 1 is the total employer contribution rate, or the sum of Columns 2-4.
 - Column 2 is the 13.60% retirement rate set by the Board of Trustees in January 2024, adjusted if necessary for a CBBC payment under G.S. 128-30(d)(4a).
 - Column 3 is the Accrued Liability rate. Some employers, beginning at the time they joined LGERS, must pay this additional contribution to cover the cost of prior service credits for employees, or other liabilities they had when they joined LGERS. The rate is shown on this table for employers who will be paying the rate as of July 1, 2024.
 - Column 4 is the Death Benefit rate for employers who have elected to provide such coverage for their active employees other than law enforcement officers.
- For LEOs (LOCL):
 - Column 5 is the total employer contribution rate, or the sum of Columns 6-9.
 - Column 6 is the 15.10% retirement rate set by the Board of Trustees in January 2024, adjusted if necessary for a CBBC payment under G.S. 128-30(d)(4a).
 - Column 7 is the Accrued Liability rate. See description of Column 3 above.
 - Column 8 is the Death Benefit rate for all employers of LEOs.
 - Column 9 is the Court Cost offset. A portion of Court Costs goes to LGERS to reduce employer contributions for LEOs. This amount can change from year to year.
- For all employers with Accrued Liability contribution rates in Columns 3 or 7, Column 10 is the projected date for that portion of the contribution to end. This is only an estimate and is subject to change based on actuarial valuations and future contribution amounts.

Employing units with questions about this information should contact RSD at 919-814-9816.
