A Message from the Treasurer

Dear [REDACTED]

Welcome to the redesigned ORBIT for members! ORBIT is an online tool that provides you with full, secure access to your personal retirement account information 24 hours a day. Our staff has worked diligently to make ORBIT more responsive for those on mobile devices such as cell phones and tablets. In addition, we have enhanced ORBIT's security features to help protect your personal information.

Lastly, we incorporated our N.C. Total Retirement Plans' branding to maintain a consistent look and feel with our Retirement Systems website. We hope you like the new look and our comprehensive approach to retirement planning for our members.

The Department of State Treasurer is committed to providing you with information that will help you make informed decisions about your future. I encourage you to familiarize yourself with your account information, understand your savings options, and utilize the education and planning resources available on our website. Please contact the North Carolina Retirement Systems at 1-877-NCSECURE (1-877-627-3287) if you have additional questions.

Thank you for your service to North Carolina.

Total Benefits Statement

Do you know the total value of your employment? You may be surprised to learn that it's much more than just your salary. Consider this: your employer is contributing to many benefits on your behalf each and every month. Below is an example of just how much a public employee is valued.

Total Value
\$54,914

 Base Pay	\$40,000
 Medical Insurance (if applicable)	\$6,881
 Retirement	\$4,450
 Social Security/Medicare (FICA)	\$3,583

In this example, an employee who has a salary of \$40,000 is actually getting \$54,914 when contributions made by the employer for retirement, health care (if applicable) and Social Security/Medicare (FICA) are considered.
